

THE GREATEST STORY

CARRUBBERS CHRISTIAN CENTRE

CHRISTMAS 2025

***THIS CHRISTMAS COME AND
DISCOVER WHY JESUS IS THE
GREATEST STORY EVER TOLD***

Words: David Nixon

***“Behold I bring
you good news of
great joy for all
the people”***

LUKE 2:10

Do you have a favourite story? Maybe a film you love to rewatch or a book you reread?

Although there are countless stories, amazingly they share in common a handful of basic story arcs. That suggests these

stories are not just invented, instead we have discovered them as part of the fabric of reality.

This world is not a blank page, rather we are part of a greater story of which God is the Author. The only way for us as characters in

the story to know anything about the Author is if He reveals it to us within the story.

***So that’s exactly
what God did the
first Christmas:
He wrote Himself
into history,
coming in the
person of Jesus
Christ.***

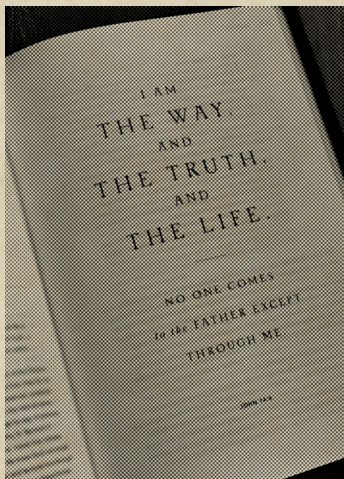

Christmas is the greatest story that all our other beloved stories point towards.

It's the quest story of the God of heaven who came down to earth to save His people from sin and death.

It's the rags to riches story of the king born to rule, not in a palace but a place for cattle.

It's the story of tragedy resolved into comedy - the saviour who was born to

die, who died to rise, and offers to share the same happy ending with us.

Best of all it's the true story that can transform the story of our lives, now and forever.

So this Christmas come discover why Jesus is the greatest story ever told.
